

REMARKS

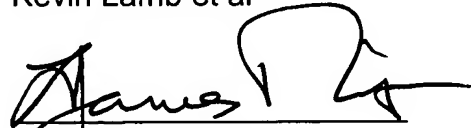

Applicant filed the subject application with claims 1-16, consisting of independent claim 1 with associated dependent claims 8-9 and independent claim 10 with associated dependent claims 11-16.

In the outstanding Official Action, claims 1-9 were allowed, whereas claims 10-14 were rejected. Applicant presumes that claims 15 and 16 were also rejected.

Applicant has directed the cancellation of claims 10-16, without prejudice. As a consequence, only the allowed claims 1-9 remain under consideration. Inasmuch as all of these claims have been allowed, the next step should be the issuance of a Notice of Allowance.

Respectfully submitted,
